

## RT Participates in IFSEC 2009

New Delhi, India, 4 November,2009: RT Outsourcing Services Limited participated in IFSEC 2009. Showcasing its services related to security and surveillance, RT took this opportunity on a global platform. This exhibition lasted for three whole days; 29<sup>th</sup> to 31<sup>st</sup> October, 2009.

IFSEC is the world's leading global annual security event, uniting over 25,000 security professionals with more than 600 world leading companies. Held at Pragati Maidan, New Delhi, it is an industry specific exhibition. This event brought together all the vendors, OEM's, EMS Companies, Outsourcers, Distributors, Large Corporations/Organizations and Suppliers together under one roof. All got a chance to interact, showcase, represent and expand business.

It was an event that bought a commendable response to RT. Visitors queued to inquire about RT and the solutions offered. This is the best possible manner of reaching out the potential client. Also RT was the only organization that provides after sales services including installation, maintenance and commissioning of surveillance products, building management and complete project management.

This event was beneficial for the company as many potential customers came forward with their requirements, seeking after sales services for their products. This indeed translates into perspective business for RT in times to come. Getting in touch with various industries offering services, equipments and solutions offered in the field of security & surveillance is indeed a business opportunity in itself.

RT is on its way towards achieving more out of such an event that would offer many opportunities and expansion in business in times to come.
