

RT Wins TIE Entrepreneur Excellence Award at Tiecon Annual Conference

RT Outsourcing Services Ltd. (RT), the largest **reverse logistics** services company of India has been awarded the **prestigious TIE Entrepreneur Excellence** award at Hotel Maurya Sheraton during the Tiecon annual conference on October 23rd, 2008. The award based on specifically three criteria i.e. Unique/Innovative business model remarkable growth rates and social impact was sponsored by Lumis Partners.

RT has made its name in the industry by providing superlative services unparalleled in India. It has **clients** such as HP, IBM/Lenovo, Acer, Toshiba, Sony Ericsson, Flextronics, Thomson, NSN. It is worth noting that RT has grown at CAGR of over 60% over last five years and employs over 3500 people. It is continuing its growth journey by taking many strategic initiatives such as entering APAC by starting operations in Singapore, setting joint ventures with world majors in the areas of e-waste and RL consulting and setting up global repair centre at EPZ/SEZ.

RT has pledged to become one of the largest Reverse Logistics Company in the world and is targeting a mega growth by achieving revenues of Rs 5000 million in FY 2012.

Mr. Sanjeev Kakar, Director, RT Outsourcing Services Limited receiving the TIE Entrepreneur Excellence Award
